INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97 (b)(3)

Sir:

Submitted herewith on Form PTO-1449 is a list of publications known to Applicants and/or their Attorney/Agent in compliance with the requirement of 37 CFR 1.56. A copy of each document is being submitted herewith.

Under 37 C.F.R. § 1.97(3), this Information Disclosure Statement is being submitted before the mailing date of the First Office Action on the merits, therefore, no fees are believed to be due.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached Form 1449.

This submission does not represent that a search has been made or that no better art exists. Nor does it constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account, No. 06-1448.

Respectfully submitted,
